

Where the Housing Court Sits and What Communities Each Sitting Covers

Below is a list of the permanent and satellite locations for each of the Housing Court’s six divisions as of September 24, 2018. There will continue to be changes so please check www.housingcourt4All.org to make sure you have the most updated information.

It is the Housing Court’s preference to have the transfer forms filed in the court's permanent location. However, if tenants file the transfer form in one of the satellite sessions during business hours, clerks will accept the form there as well. The satellite offices may also accept other court forms. Check with the permanent location for that Division.
